

HTC Local Access Numbers

HTC dial-up Internet customers may use one of the Local Access Numbers below. Please confirm with your local telephone company that the access number you use is a local, toll-free call.

If you are not sure which access number to use, please contact us. HTC will not accept responsibility for telephone toll charges incurred while accessing our network. Note that the locations below refer to telephone exchanges and not physical or mailing addresses.

Access Number:	Use when dialing from the following exchanges:
